ACTION TAKEN REPORT ON FEEDBACK

YEAR-2022-23

Based on the IQAC's strategic strategy, the college administration has implemented the following measures:

- ❖ It is requested of all HODs to finish the entire curriculum prior to the term-ending exam.
- ❖ Positive measures should be done to maintain the cleanliness of the college campus, such as assigning distinct colored trash cans for biodegradable and non-biodegradable waste products to the appropriate locations.
- ❖ The college has decided that no student will be permitted entry onto the main campus without a valid ID card for security reasons.
- ❖ More books for students will be provided to them from the library.
- ❖ More skill-oriented certificate programs, add-on courses, or value-added courses are suggested.
- ❖ Entry to the college premises was limited for outsiders.
- ❖ The college welfare convener has been asked to check the quality and price of canteen meals.
- ❖ More sporting items, such as cricket sets and badminton, will be purchased based on student demand.
- ❖ Meetings with non-teaching personnel are held once a month to follow up on their work progress and studies in relation to admission and other official affairs.
- ❖ More encouragement for NSS, cultural, and sporting activities to increase student mobility.
- ❖ Recently, we have separated departmental notice boards from general notice boards.
- ❖ The development of the college garden was undertaken.
- ❖ Computers were installed in the staff room.
- ❖ Common room indoor game facilities for students were improved.
